SCHOOL DIRECTORY INFORMATION

Dear Parent,

Each year we create a school directory for distribution to our families. We have found the directory makes it easier for carpooling, communicating, planning play days with the children and meeting families that live near you. The directory is used to call parents with reminders for school and class events and activities. Please let us know how you wish to be included in our school directory by filling out the form below and returning it to the school. Once we have received all the forms the directory will be formatted and available for distribution.

*Please fill in the information below and return to the office. If this form is not returned your child's name **will** be published in the roster.*
