

Walking Field Trip, Water Play, Sunscreen and Photo/Video Release Consent Form

Walking Field Trip

From time to time teachers will take their class on a walking day trip around the block or to the park. We treat these walks as mini fieldtrips since the children leave the facility. In order for your child to attend these mini trips they need to have a permission slip on file giving us permission to take your child from the facility without prior notice to the parents.

- I understand that the walking fieldtrips are a part of the Rising Star School program.
- I understand parents and/or staff will supervise the children on these mini fieldtrips.
- I understand that the walking fieldtrips could occur with or without prior notice to parents.
- I understand that it is the teacher's discretion to allow my child to participate on the walk.

Water Play

When it is hot we want to be cool! To maximize the children's fun and to cool them down on hot days we have purchased water toys to provide fun water play.

Children need to bring in: a set of swim clothes, water shoes or slippers, sun block, and a towel. Remember to label all the items and pack in a waterproof bag.

- I understand that the days are not always planned in advance and that the above items should be kept in the backpack on hot days.
- **Children that do not have this form on file or any of the items listed above will not be able to participate in the activity on that day.**

Sunscreen/Neosporin/Anti-Itch cream Use

My child has permission to have sunscreen/Neosporin/Anti-itch cream applied at Rising Star School. **For Sunscreen-I** have included the labeled sunscreen in my child's backpack.

Photo/Video Release

Rising Star Montessori School is proud of the many accomplishments of our students and staff. Rising Star Montessori School staff and parents occasionally videotape or photograph our students for use in school publications. Various publications may include, the school newsletter, school advertisements, or the school's web site.

Photographs used in school advertisements, or on the web site will not identify the student(s) by name.

By granting us permission to use your child's photographs in these school publications you are helping us provide both current and prospective parents the best reflection of our school's environment, programs, and events.

- I understand that my child may be photographed or videoed for the use of school advertisements, websites, and for parent events access.
